

QUESTIONNAIRE

Please tell us a little about your family.

Where do you live?

Do you have children or other family members living with you?

Do you have other dogs?

Male or female?

Will the dog be kept indoors with you?

Do you have a fenced yard?

A place for exercise and running?

Do you work from home?

If, not, will the dog/dogs go with you to work?

If, not, who will be with the dog/dogs during the day?

Have you ever owned a Doberman?

If, not, why did you choose this breed?

Do you realize that Dobermans are working dogs and need a lot of exercise?

Do you realize that you will be propping the dogs ears every three days unless they get wet and then the propping needs to be replaced immediately, and that the average taping time is approximately 4-5 months but can take up to 7-9 months?

Are you looking for a family companion, to show...?

Are you looking for a male, female, two males, two females, or a male and female?

We look forward to hearing back from you and would be happy to answer any questions you may have.

We have been with our puppies 24/7 playing, cuddling, training, and loving them.
Our puppies make excellent companion dogs!

Thank you for your interest.

Sincerely, Candy, Sonia, Jedidiah, and Josiah Summers
